

Introduced by Senator Florez

February 10, 2009

An act to amend Section 597n of the Penal Code, relating to animal abuse.

LEGISLATIVE COUNSEL'S DIGEST

SB 135, as amended, Florez. Animal abuse: cattle: tail docking.

Existing law makes it a misdemeanor for any person to cut the solid part of the tail of any horse in the operation known as "docking."

This bill would likewise prohibit the docking of cattle, as defined, except as specified. By expanding the scope of an existing crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 597n of the Penal Code is amended to
- 2 read:

22 SEC. 2. No reimbursement is required by this act pursuant to
23 Section 6 of Article XIII B of the California Constitution because

25 district will be incurred because this act creates a new crime or
26 infraction, eliminates a crime or infraction, or changes the penalty
27 for a crime or infraction, within the meaning of Section 17556 of
28 the Government Code, or changes the definition of a crime within
29 the meaning of Section 6 of Article XIII B of the California
